

JEAN-TAÉ FRANCIS

Objective

My goal, is to use whatever skills or power I have to better someone's day/life. Whether it be a circus performance or a short transaction with a customer, if I have the chance to make someone's day better, I will always take that opportunity. I am shooting to be a consistent smile creator.

EXPERIENCE

CIRCUS PERFORMER & TEACHER

Performing various types of circus from juggling to acrobatics for both huge and smaller more intermit audiences. I've also been teaching students between the ages 3-60+ mostly juggling, basic acrobatics and wire walking.

SPECIALIST AT APPLE

As an Apple Specialist my responsibility was to approach customers to get them excited about the products, build a connection with them and also help guide them to the solution, product or service that they needed.

SERVER AT ROOSTER SOUTH GRAND

As a server at Rooster my main responsibility was to make sure that every customer was having a good time and would leave our restaurant satisfied with their time there. While there I was also responsible for helping the bartender as a bar back by helping with pouring and mixing some drinks to be served.

SKILLS

- Adobe Illustrator, Photoshop, InDesign, Premier Pro
- Procreate
- iMovie
- Keynote
- Interaction skills deveolped from years of interactive circus performing/working in retail
